

# MURRIETA'S WELL

ESTATE VINEYARD

## Dry ORANGE MUSCAT

*Small Lot*

LIVERMORE VALLEY

### VINEYARD

The Murrieta's Well Dry Orange Muscat is planted in our Hayes vineyard. Located on the southwest portion of our estate. This vineyard has the widest elevation range from 560-860 feet. Of the 20 grape varieties we grow, 11 of them are grown on the Hayes vineyard because it features the largest array of soils, aspects and slopes.

Orange Muscat | Hayes

### WINEMAKING

**FERMENTATION** | We performed fermentation in stainless steel tanks, where the wine was fermented cold to preserve the fruit characteristics of the grapes.

**AGING** | Aged for four months in stainless steel tanks.

### HARVEST

All of these varieties were picked in October 2019. The 2019 vintage was moderate to warm in the Livermore Valley, without any heat spikes. This allowed the fruit to get extra hang time on the vine, which brought out the fruit and floral qualities even more. Overall, we saw good yields, healthy fermentations and high quality wines.

### ROBBIE'S TASTING NOTES

Our 2019 Dry Orange Muscat exhibits aromas of tropical fruit and magnolia blossoms. This medium-bodied wine presents a textured palate with a balanced acidity making it the perfect aperitif. Enjoy through 2022.

2019

#### VARIETAL COMPOSITION

100% Orange Muscat

ALCOHOL | 14.8%

PH | 3.66

TA | 0.55g/100ml

BARRE,S PRODUCED | 18
